Forum	Topics	Posts	Freshness
Miscellaneous	0	0	No Topics
Sim Ops/Tech Issues <small>Discuss issues with other Sim Ops/Techs</small>	0	0	No Topics

You will see the screen which says
“Register For This Site.”
Enter a username and email address.
Read the Terms and Conditions
& the Privacy Policy and check “I agree.”
Check the “I’m not a robot” box.
Click “Register.”
*(You will not be allowed to register
until all criteria are met)*

A screenshot of the WordPress registration form. At the top is the WordPress logo. Below it is the heading 'Register For This Site'. The form contains fields for 'Username' and 'Email'. Below these is a checkbox for 'I agree to the terms and conditions'. At the bottom is a reCAPTCHA widget with the text 'I'm not a robot' and a 'Register' button. A note at the bottom states 'Registration confirmation will be emailed to you.'

Your password will be emailed to you and you will be redirected to the forum.

Follow the link in the email to reset your password.

Enter your new password using the described criteria and click “Reset Password.”

Click “Log In” to be taken to the log in page.

Enter your new password below.

New password

 ×
Strong

Hint: The password should be at least twelve characters long. To make it stronger, use upper and lower case letters, numbers, and symbols like ! " ? \$ % ^ &).

Navigating through the Forum

Below you will find a description of the terms used in our forum.

Forum: Discussion Categories

The screenshot shows a forum interface with a table of discussion categories. Red arrows point from text definitions to specific elements in the interface: one to the 'Forums' header, one to the 'Posts' column header, one to the 'Topics' column header, and one to the 'Freshness' column header.

Posts: The number of Topics & Replies in a Forum

Forum	Topics	Posts	Freshness
Miscellaneous	0	0	No Topics
Sim Ops/Tech Issues Discuss issues with other Sim Ops/Techs	0	0	No Topics
Simulation Equipment Discussion related to use of all simulation equipment	2	4	10 seconds ago username123
Simulation Scenarios Post simulation scenarios or ask questions about scenarios	0	0	No Topics

Log Out

Topics: The number of discussions taking place in that Forum

Freshness: The last time someone posted in that forum

To start a NEW Topic, click on the Forum in which your topic falls under (Equipment, Tech, Scenarios, etc) and scroll down to “Create New Topic in...”

Fill in the “Topic Title” and enter your questions or comments in the box provided.

Viewing 2 topics - 1 through 2 (of 2 total)

Create New Topic in "Simulation Equipment"

Topic Title (Maximum Length: 80):

b *i* [link](#) **b-quote** ~~del~~ **img** **ul** **ol** **li** **code** **close tags**

Enter your questions/comments or discussion topic here
